Title Insurance

We understand that your home is possibly the largest financial investment that you will make, but the investment is not just financial. Buying a home is also an investment in the future for you and your family.

Purchasing Title Insurance can give home buyers peace of mind by providing protection against issues like; forgery, fraud, prior claims to ownership, judgements, liens, unpaid past property taxes and mechanic's liens.

There are two types of title insurance policies: Lender's and Owner's. When you obtain a loan, the lender will likely require that you purchase a Lender's Title Insurance policy which will protect ONLY the lender should there be a claim against the title to your property. The premium paid for the Lender's Title Insurance Policy will cover the lender up to the amount of the loan should a claim arise against title.

Standard Vs. Enhanced Title Insurance

There are two types of Owner's Title Insurance policies: Standard and Enhanced. In order to protect YOUR investment, you should purchase an Owner's Title Insurance policy. Should a valid claim be made against the title to your property, the title insurer would protect you as the policy holder by paying the claim, covering legal costs associated with defending your title, or paying you for your interest in the property.

For your convenience, we have prepared a comparison table in this brochure to help you make your decision.

Title Search

Champion Title will order a title search (or abstract) to examine the chain of ownership for your property. In this process, the abstractor will look at the deeds, deeds of trust, and other liens and encumbrances recorded in the courthouse. In order for the title insurance underwriter to issue a title insurance policy, they must be assured that the property is free from all liens and judgments that could affect the lender or owner's interest in the property. We want to establish that there are no gaps in the chain of title, no unreleased deeds of trust, no overdue taxes, and no judgements against the parties, among other issues that are checked during the title examination process. When these searches have been completed, Champion Title issues a title commitment to your lender on behalf of the title insurance underwriter, stating the conditions under which we will insure the title. After closing, we also issue the final Lender's and Owner's Insurance policy on behalf of the title insurance underwriter.

CHAMPION TIPS

- Both Owner's and Lender's Title Insurance are calculated based on the sales price and loan amount, respectively, and is set by the underwriter or the state insurance administration.
- Owner's Title Insurance is a one-time purchase that is paid at settlement and will protect your interest in the property for the rest of your life, even if you sell the property and are later sued for a title defect. Your Owner's Title Insurance policy will be mailed to you about 6-8 weeks after settlement. Since the policy protects you throughout your lifetime, be sure to keep it in a safe place!
